Forecast For East of England
Issued by Met Office Exeter
at 0400 on Tuesday 18 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and showers. Low chance of thunder.

Today:
A fine start with some sunshine. Cloud soon thickening however, with scattered showers developing later in the morning and through the afternoon. These turning heavy at times, with a chance of hail or the odd rumble of thunder. Maximum temperature 17 deg C (63 deg F).

Tonight:
Showers gradually easing during the evening, then all parts turning dry overnight with light winds. Thicker cloud, and the odd shower perhaps moving into Essex around dawn. Minimum temperature 6 deg C (43 deg F).

Wednesday:
A mostly fine start, however cloud soon thickening with scattered showers likely again. These perhaps heavy and thundery, before easing during the evening. Sunny spells also likely at times. Maximum temperature 17 deg C (63 deg F).

Outlook for Thursday to Saturday:
Dry, bright start Thursday, before turning wet and windy later. Windy Friday with showers or longer spells of rain. Winds easing Saturday, with some sunshine, but also heavy showers possible.
